Our First Annual Wine Maker Dinner

We are very excited to announce our first Annual Wine Maker Dinner, to be held at the Old Sugar Mill, in early 2013. This annual tradition will be a great way for all of our wine club members to meet our wonderful wine maker Marco Cappelli. In addition, guests will be treated to a sit-down dinner prepared in our tasting room by a gourmet chef, who just so happens to be one of our wine club members! Enjoy live music and get the

chance to meet new friends in the Elevation Ten Wine Club. Marco will be on hand to talk to everyone about our wines, the wine making process and will be doing some barrel tasting of some of our upcoming wine releases. Once you get to know Marco, you will understand why we are so lucky to have him as our talented wine maker. Tickets will go on sale in December; look for more details on our Facebook page and in your email inbox!

STAFF
SPOTLIGHT
CHRISTINE SWANSON

Elevation Ten is very happy to have Christine Swanson on our team! If you have ever been to our tasting room, then you have most likely had the pleasure of meeting this fabulous gal!

In addition to being charming and sassy, she is full of wine knowledge. Christine is passionate about finding new varietals and blends to pair with healthy recipes. Currently, her go-to wine is Cab Franc, making our Proprietor's Blend her favorite wine. Born and raised in the Sacramento area, Christine thrives on all that is fitness. Christine will be participating in the Clarksburg Country Run in November, where she will complete a 20 mile run and is ultimately training for the California International Marathon this December, which is 26.2 miles for those of us who don't know! Clearly this is a girl on the move, with places to go! Christine has been with Elevation Ten since we opened our doors a year ago, and we are so grateful for her continued loyalty and hard work!
